

## HCNS Pre-K Four Afternoon Enrichment Classes

We are very excited to bring back afternoon enrichment for our pre-K four cohort with our afternoon enrichment teacher Amanda Valenta! Space is limited to 15 students per day and placement will be made on a first come first serve basis. This year afternoon enrichment will have a weekly theme (apples, rainbows, pumpkins etc. )that will be carried across the different learning avenues with a focus on hands on, interactive learning opportunities.

**Mondays- Literature, Cooking and Art!:** After exploring a story together, your child will have fun whipping up a delicious snack or creating a special art project to align with our theme. Come hungry and ready for fun!

**Tuesdays - Counting Games and Number Fun:** Expand your child's fascination with numbers through games, building, moving and experimenting with all phases of math readiness and counting.

**Wednesdays - Scientists at Work:** Let your little Einstein come and explore each theme through science. They will explore everything from how a rocket takes off to how a volcano explodes and more. We love STEM!

**Thursdays - Gym Rats:** Ready for some action in the gym? Your child will utilize large motor skills while enjoying games and activities involving mats, music, balance beams, balls, parachutes and additional ways to flex their muscles.

**Fridays - Yoga for Kids:** Children will go on an African Safari, visit a pirate cove, and travel to the Arctic or to outer space using yoga and their imaginations. Yoga kids will build a sense of physical well-being, encourage creativity and help with learning to focus and release energy.

# Registration Form for HCNS PreK Four
