

HCNS Pre-K Four Afternoon Enrichment Classes Fall Session 2022

We are very excited to continue afternoon enrichment for our pre-K four classes with Mrs. Valenta! Space is limited per day and placement will be made on a first come first serve basis. Afternoon enrichment will have a weekly theme (ice, penguins, snow etc.) that will be carried across the different learning avenues with a focus on hands-on, interactive learning opportunities.

Mondays- Gym Rats: Ready for some action in the gym? Your child will utilize large motor skills while enjoying games and activities involving mats, music, balance beams, balls, parachutes and additional ways to flex their muscles.

Tuesdays- Literature, Cooking and Art: After exploring a story together, your child will have fun whipping up a delicious snack or creating a special art project to align with our theme. Come hungry and ready for fun!

Wednesdays- Scientists at Work: Let your little Einstein come and explore each theme through science. They will explore everything from how a rocket takes off to how a volcano explodes and more. We love STEM!

Thursday - Counting Games and Number Fun: Expand your child's fascination with numbers through games, building, moving and experimenting with all phases of math readiness and counting.

Fridays- Yoga for Kids: Children will go on an African Safari, visit a pirate cove, and travel to the Arctic or to outer space using yoga and their imaginations. Yoga kids will build a sense of physical well-being, encourage creativity and help with learning to focus and release energy.
