

# HCNS Pre-K Three Afternoon Enrichment Class

## Fall Session 2023

We are very excited to continue afternoon enrichment for our pre-K 3 students! Space is limited per day and placement will be made on a first come first serve basis. Please note, 5 students must enroll for us to have our afternoon session.

**(Classes must have 5 students enrolled to run.)**

**Mondays- Literature and Cooking with Mrs. Lupo :** After exploring a story together, your child will have fun whipping up a delicious snack or creating a special art project to align with our theme. Come hungry and ready for fun!

**Tuesday - Messy Play and Art with Mrs. Walsh:** Don't be scared of a little mess-creativity that's messy can be even MORE fun. The mess allows children to explore and learn with multiple senses, taking it all to another level. Come ready to create, explore and be inspired through hands-on messy crafts, art and sensory tables!

**Wednesdays - Scientists at Work with Mrs. Walsh:** Let your little Einstein come and explore each theme through science. They will explore nature, conduct experiments and participate in hands-on science each session. We love STEM!

**Thursdays - Yoga for Kids with Mrs. Lupo:** Children will go on an African Safari, visit a pirate cove, and travel to the Arctic or to outer space using yoga and their imaginations. Yoga kids will build a sense of physical well-being, encourage creativity and help with learning to focus and release energy.

## Pre-K 3 Fall Enrichment Sign Up

Please Check the enrichment days of choice below and return to the school office by Friday, September 1st. Space is limited for each day and will be filled on a first come basis. Please know most classes fill quickly. Lunch and Play is included for each day enrolled. Classes run 12:30pm - 3:00pm. **Children must be potty trained to extend their morning with lunch and enrichment.**
