

HCNS Pre-K Four Afternoon Enrichment Classes Fall Session 2023

We are very excited to continue afternoon enrichment for our pre-K four classes with Mrs. Valenta! Space is limited per day and placement will be made on a first come first serve basis. Afternoon enrichment will have a weekly theme (ice, penguins, snow etc.) that will be carried across the different learning avenues with a focus on hands-on, interactive learning opportunities.

Mondays- Literature, Cooking and Art: After exploring a story together, your child will have fun whipping up a delicious snack or creating a special art project to align with our theme. Come hungry and ready for fun!

Tuesdays- Process Art: Process art is like going on an adventure with art! It's about having fun and exploring different ways to make art without worrying about making things perfect. Instead of trying to make something specific, we will focus on enjoying the process of creating and using our imagination.

Wednesdays- Scientists at Work: Let your little Einstein come and explore each theme through science. They will explore everything from how a rocket takes off to how a volcano explodes and more. We love STEM!

Thursday - Counting Games and Number Fun: Expand your child's fascination with numbers through games, building, moving and experimenting with all phases of math readiness and counting.

Fridays- Gym Rats: Ready for some action in the gym? Your child will utilize large motor skills while enjoying games and activities involving mats, music, balance beams, balls, parachutes and additional ways to flex their muscles.

Enrichment With Mrs. Valenta

Please Check the enrichment days of choice below and return to the school office by Friday, September 1st. Space is limited for each day and will be filled on a first come basis. Please know most classes fill quickly. Lunch and Play is included for each day enrolled. Classes run 12:30pm - 3:00pm.
